

Expressive Arts and Design

Exploring and Using Media and Materials, Being Imaginative

We have been enjoying our mini-beast songs and one of the older children commented that they hear the children singing them around school.

We turned a white sock into a caterpillar by stuffing it with newspaper, painting it green and red, adding some googly eyes and pipe cleaners for antenna.

Communication and Language

Listening and Attention, Understanding and Speaking

Our retelling of Peter and the Wolf and the Very Hungry Caterpillar stories is becoming more confident. We are all trying to do our best to join in with the words and actions.

Mathematics

Numbers and Shape, Space & Measure

We have been talking about sharing objects between two people and using the word half. We have been halving 2D shapes to help reinforce our learning.

Our counting to 60 and back from 20 is becoming more confident each time we do it.

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We have been working as a team to get points for our houses.

We have also been working together to put our assembly together, listening and taking it in turns.

Starfish Class Learning Log Wk/B 11th May 2015

Understanding The World

People and Communities, The World, Technology

We have learnt about some more mini-beasts this week with the help of Jess and her mini adventures. We have also been remembering facts from previous programmes, one of them being that boy earwigs have curved pincers and girl earwigs have straight pincers.

We have enjoyed using our new water run to make the water run in different directions.

Literacy

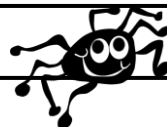

Reading and Writing

We have been reading and writing tricky words – some, come, little. Using the story of the Very Hungry Caterpillar, we have been thinking about our favourite part of the story and putting together sentences to write from the story. We have had to do this with very little help but have been encouraged to say the words out loud to help us hear the sounds we need to write. We have also used sound mats.

Physical Development

Moving and Handling and Health and Self-care

We continued practising our ball skills this week, throwing and catching in pairs and working in threes.

Wow

Can you draw three mini-beasts we have learnt about?
