

SPRING

Expressive Arts and Design

Exploring and Using Media and Materials, Being Imaginative

We used sponges and paint brushes to create our lovely pictures of chicks,
The children have enjoyed creating their own paintings and models using the resources available.
We have been practising songs for the Easter Service remembering to sing and do the actions together.

Communication and Language

Listening and Attention, Understanding and Speaking

We enjoyed listening to the older children rehearse for their music concert. They were very, very, good.
We enjoyed listening to stories read to us by the Y3/4 children.

Starfish Class

Learning Log

Wk/B 23rd March 2015

Understanding The World

People and Communities, The World, Technology

The second group of children made their Easter nests in cookery this week, we added in some syrup to help them hold together a bit better.

We created cress heads by putting a face on a pot, putting some cotton wool in the pot and then sprinkling the seeds onto the cotton wool. With the help of some water and sunshine our faces now have a good crop of green hair.

We used the laptops again this week to listen to e-books. We now have two little chicks, we have enjoyed seeing the changes that have happened so far.

We listened to the 'Easter story' and talked about why we have chocolate eggs at Easter.

Mathematics

Numbers and Shape, Space & Measure

We continue to count to 60, this is becoming easier and count back from 20.

Our Beans have really grown. We were able to measure how tall they are using Unifix cubes. We then drew a picture of them with a tower of cubes next to them and wrote how many cubes we had used.

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We have started a morning task, which means we have another thing to remember to do in the morning when we come in. Our morning task involves drawing a picture or writing a few words to do with something we have been learning about this term.

Physical Development

Moving and Handling and Health and Self-care

Our Activate programme has moved on again. It has been really nice this week to see everyone keen to do it particularly enjoying making star shapes and teapots.

Literacy

Reading and Writing

We have been reading and writing words that have two consonants at the end that work together – lamp, tusk.

We sorted a jumbled sentence about our chick and added to it, we then copied our sentence and then drew a picture of our chick. We have been thinking of words that start with u and practising forming the letter u correctly.

Wow

Draw a picture of you in your Easter Bonnet.
