

# SPRING

## Expressive Arts and Design

Exploring and Using Media and Materials, Being Imaginative

We enjoyed turning polystyrene eggs into great spring chicks. We have put a picture of these on our class page on the school web site.

We have been singing some of our animal songs and practising our songs for the Easter service

## Communication and Language

Listening and Attention, Understanding and Speaking

We have been practising our Pie Corbett story, 'The Three Billy Goats Gruff', and performed it in assembly in front of the whole school. We performed it well, remembering to speak up and clearly.

## Starfish Class Learning Log Wk/B 16<sup>th</sup> March 2015

## Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We have been remembering to look at people when they are talking to us and greet people with a smile and make eye contact.

We have been making sure we answer to our name sensibly at Registration as we know how important it is for this to be correct.

## Physical Development

Moving and Handling and Health and Self-care

In dance this week we mirrored our partners as they moved and realised it was easier to copy them if they moved slowly,

## Understanding The World

People and Communities, The World, Technology

In cookery this week we made Easter nests using shredded wheat and melted chocolate...We tried hard not to eat the eggs before they made it to the nests! Our beans and even our sunflowers have really started to grow. Hopefully we will be able to measure some of our beans next week.

We enjoyed using the laptops to listen to e-books

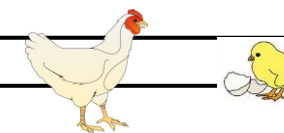

## Mathematics

Numbers and Shape, Space & Measure

We continue to count to 60, this is becoming easier and count back from 20.

We have been thinking about our eggs and have been sequencing pictures of the life cycle of a chick, which has been very interesting as which did come first...the chicken or the egg?

## Literacy

Reading and Writing

We have been reading and writing more words that have two consonants at the beginning that work together – brush, clown, train.

We re-told our Pie Corbett story, 'The Three Billy Goats Gruff' and then once back in class, we drew a picture and wrote a sentence from the story.

We have been thinking of words that start with t and practising forming the letter t correctly.

Wow

Draw a picture of what you think our chicks might look like
