

SPRING

Expressive Arts and Design

Exploring and Using Media and Materials, Being Imaginative

We turned our handprints into spring trees for our display and flowers using finger painting.

We have been practising our songs for the Easter service, trying to remember the words and sing clearly.

We have enjoyed creating our own pictures and models at the art area continuing with our finger painting on our own pictures.

Communication and Language

Listening and Attention, Understanding and Speaking

We are becoming more confident at retelling our Pie Corbett story, 'The Three Billy Goats Gruff'.

Starfish Class

Learning Log

Wk/B 9th March 2015

Mathematics

Numbers and Shape, Space & Measure

We have been observing our beans and talking about the changes that are happening, and sequenced pictures of bean growth.

We have been counting to 60 and back from 20 and enjoyed playing a dice game with one dice showing actions and the other showing the number of times we had to do the action.

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

In Circle time we talked about journeys we had gone on and why we had enjoyed them.

We are trying to remember to tidy up our activities once we have finished them.

Understanding The World

People and Communities, The World, Technology

During RE we talked about new life and spring and the things we celebrate. We thought about if we celebrate bad or sad events.

The third group of children have been making scones with Mrs Platt this week, weighing and combining the ingredients.

The children have enjoyed constructing and playing with the water way, directing the water in different ways and sending the boats down it.

We are continuing to observe our beans and the changes that are starting to happen, we are hoping to be able to start measuring them soon.

Our incubator hen continues to do its job of keeping warm and turning our eggs.

We drew chicks using the 2simple software on the computers and we also drew them on the smart board.

Literacy

Reading and Writing

We have been making our own sunflower seed packets and writing instructions on them.

During our phonics time we have learnt that two consonants can work together at the beginning of words, flag, twin and plum.

We have practised reading and writing some more tricky words and using them in sentences.

Physical Development

Moving and Handling and Health and Self-care

In dance this week we have been making patterns in the air and on the floor.

We enjoyed using the front playground and the climbing / balancing frame this week.

Wow

Draw a picture of a baby animal with its mummy.
