

Expressive Arts and Design

Exploring and Using Media and Materials, Being Imaginative

We have been creating a dance to go with our song for the Nativity and also practising the songs. In Art we created our Christmas decoration to go on the Christmas tree in the hall. We chose jewels and sparkles to stick onto a Christmas bauble shape. We have enjoyed creating our own collage pictures.

Communication and Language

Listening and Attention, Understanding and Speaking

We brought in our own teddies and talked about them with the class. We then listened to the story Paddington with our bears.

Personal, Social and Emotional Development

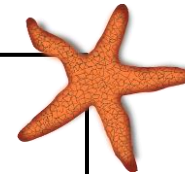

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

In Circle Time we talked about what makes us happy and sad. In RE we talked about how we have changed and drew pictures of us as babies and how we are now, doing something we couldn't do when we were babies.

Starfish Class Learning Log

Wk/B 24th November 2014

Understanding The World

People and Communities, The World, Technology

We enjoyed playing with the ice that had formed over the weekend, some of the children said it looked like glass and enjoyed seeing it melt in their warm hands. We all helped to make porridge and then those of us who wanted to, tasted it. It was yummy. The third cooking group enjoyed making their Oaty Cookies

Mathematics

Numbers and Shape, Space & Measure

We have been counting to 35 and counting back from 15. We all helped to measure the ingredients for our porridge, looking at the scales to check we had the correct amount of each ingredient. The group that made oaty cookies worked together to measure and weigh the ingredients they needed. In our groups we had to colour the correct number of bears the correct colour.

Literacy

Reading and Writing

We have learnt the sounds, sh for shop, ch for chip and th for thumb. We also practised writing words with these sounds. We drew a picture of our own bears and then chose a word to describe them. Our favourite words were soft and fluffy. We had a go at sounding out and writing our chosen word.

Physical Development

Moving and Handling and Health and Self-care

We practised our pencil rolls and forward rolls and jumping off boxes and benches to safely. We have enjoyed the bikes and scooters when playing outside.

Wow

Create a picture of your own teddy bear.
