

## Expressive Arts and Design

Exploring and Using Media and Materials, Being Imaginative

We learnt a new song this week called 'Make a Picture with Shapes.'

We talked about Armistice and made Poppies, which were put together to represent a cross. This will be put up in the Church for a short time before being displayed in school.

We used wax crayons and very runny paint to create firework pictures.

## Communication and Language

Listening and Attention, Understanding and Speaking

We discovered that our new topics is 'bears'

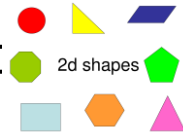

We enjoyed watching and listening to the story We're Going on a Bear Hunt being retold on the smartboard.

## Mathematics

Numbers and Shape, Space & Measure

We have counted to 30 and counted back from 15. We have been saying the number that comes just after or just before a given number on the numberline.

We have been finding out about 2D shapes, talking about how many corners and edges they have. In groups we have been creating pictures using shapes.

## Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

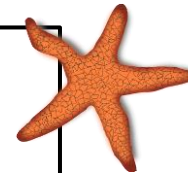

We all said cheese or sausages on Monday when we showed off our best smiles when we had our photos taken.

We talked about our birthdays and how we celebrate them. We then made invitations to a birthday party.

Starfish Class

Learning Log

Wk/B 3<sup>rd</sup> November 2014

## Understanding The World

People and Communities, The World, Technology

We have been thinking about Armistice and the meaning behind wearing a poppy.

We talked about Bonfire night and the fireworks we had seen or would be seeing.

Hooray! Our class computers are now working so we have been learning to control the mouse to create pictures using 2Simple paint.

## Literacy

Reading and Writing

We have been reminding ourselves of all the sounds we have learnt so far and added to them this week by learning the sounds, j for jelly, v for van, w for win and x for x-ray.

We have practising writing these sounds and using them in words. During our guided reading sessions this week, we have been pointing to the words as we read and trying really hard to blend our sounds to read words.

## Physical Development

Moving and Handling and Health and Self-care

We have enjoyed our Activate DVD and are looking forward to a new set of movements next week.

We have enjoyed being able to play outside and whizzing round on the trikes and scooters.

We have also enjoyed joining in with the actions from the story We're Going on a Bear Hunt.

Wow

Can you create a picture from our story 'We're Going on a Bear Hunt.'
