

Expressive Arts and Design

Exploring and Using Media and Materials, Being Imaginative

We learnt yet another song this week called 'Healthy Me.' We have really enjoyed all of the songs we have been learning and we all have our favourite.

We painted our Gingerbread men this week and once they were dry we decorated them using coloured beads. They look great.

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We enjoyed our official opening celebrations and coped well with the many people who came through to have a look at our lovely classroom.

We have been thinking about ways we can keep ourselves healthy and told each other what we have for breakfast.

Physical Development

Moving and Handling and Health and Self-care

We continue to do our Activate programme, particularly enjoying the movements when we use the scarves to enhance our movements. The children are looking forward to next week when the movements change again.

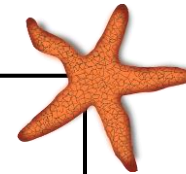

Communication and Language

Listening and Attention, Understanding and Speaking

During Circle Time, we talked about what animal we would like to be and why. We played the 'fruit salad' game, swapping seats depending on which fruit was called out. We also passed Derek the donkey around, sharing our news if we wanted to.

Starfish Class Learning Log Wk/B 13th October 2014

Understanding The World

People and Communities, The World, Technology

We collected leaves and have been using them to talk about their changing colours and different shapes. We then used them to do some leaf rubbings, looking at the patterns we created.

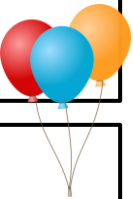

Mathematics

Numbers and Shape, Space & Measure

We counted to 30 and back from 15.

We have again been practising writing the numbers 0-5. Thank you if you have been helping your child with this. Big numbers have been written outside using the chalks, in between the rain showers!

We enjoyed seeing all the balloons we let go on Tuesday floating away, wondering which would go the furthest.

Literacy

Reading and Writing

We have learnt the sounds *l, ll, ss* this week. We have been trying to read words with these sounds in them, leg, lock, fill, grass. We learnt to read the tricky word of.

Thank you for helping your children to learn their keywords, I have been checking them this week and am pleased with how they are doing.

Wow

Please create a picture of your favourite fruit.
