

Literacy

We have been focussing on our Learning Heroes. We have drawn a map of the classroom and written labels to help us to be Sensible Squirrels and use the resources efficiently.

We have started to read *Kipper's Toybox* by Mick Inkpen. We have sequenced pictures from the story, wrote a sentence about our favourite part and thought about the characters speech by writing in speech bubbles.

ICT

We have been learning to log on to the computers by ourselves and investigate the programmes that are available to us.

Phonics

We have been learning about the spelling pattern 'ay' and 'ou'. We have been reading words that contain 'ay' and 'ou' and drawing on the sound buttons.

Hambledon Primary School

Dolphins Learning Log

History

We have begun to think about toys from the past, what they looked and felt like and who may have been playing with them.

WOW work!

Find out about dolphins!
Read a book, look on the computer or watch a program. Write down 3 facts to share with your class

W/B 8.9.14

Maths

We have been finding one more and one less. We have been counting up and down number lines and using number cards to help us. We have also played a number bingo game!

Science

We have begun to think about the forces pushes and pulls. We looked at how some toys moved and if we needed to push or pull them.

P.E

We have begun to play tennis at the village tennis court. We had fun learning skills in preparation for tennis next week. We have started multiskills developing our target game skills.
