

## Dolphins Learning Log

### Literacy

We have been learning to tell the story of The 3 Little Pigs. We have been busy drawing story maps to help us.

### Phonics

We have been learning about the spelling pattern 'ew' and been comparing it to 'oo'. We have been reading words such as 'drew', 'screw', 'crew' and 'Andrew'.

### Maths

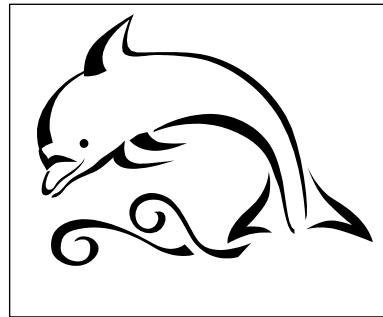

We have been trying hard to learn our number bonds to 10.

We have used different resources to help us do this such as cubes counters and dominoes.

### History

We have had a fantastic trip to the SEARCH Museum. We were able to look at lots of old toys and play with them. We also had a chance to look at life at home in the past and dress up in some old Victorian clothes. Look at our website to see how wonderful we looked!

### Science

We have continued learning about pushes and pulls. We looked carefully at how animals move and thought about how they push and pull to do so.

### **WOW work!**

Sort the pictures into pushes and pulls. Find 3 things around your home that use a push and 3 things that use a pull.

### P.E

In tennis this week we continued to develop our racket skills. We threw the ball for our partner to hit. In multi-skills we were playing a target game where we had to knock a ball off a cone.

*Please note: as not all books were handed in, the WOW work is being repeated this week. Please ensure your child has their book ready to hand in on Monday morning so that it can be marked and new work set for Wednesdays*
