

Dolphins Learning Log

Literacy

We have been using the laptops to sequence the 3 little pigs story and have made finger puppets to help us to tell the story ourselves.

We acted the three little pigs story out in assembly and we were fantastic! 10 out of 10!

Phonics

We have been learning about the split digraph 'o-e'. We have been reading words such as 'hope', 'stove', 'alone' and 'envelope'. We have also looking for words in a story we were reading.

Maths

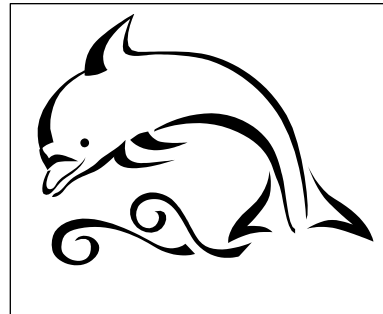

We have been learning to order numbers and use 0, 5, 10 and 15 to make our counting more efficient.

We have continued to learn our odd and even numbers to 20. We have also begun to learn the days of the week.

Music

. We have continued learning about keeping a beat using percussion instruments and the Samba drums. This week we counted the beats in the names of toys.

PSHE

We have been thinking out how to make our classroom a fair and safe place. We thought about what we already like about our school, what we would like to introduce and what we would change.

DT

We've had great fun making our wheeled toy this week. We put to use all of that we have learnt about wheels and axels.

WOW work!

No Wow work this week as it is half term.
Enjoy the rest!

P.E

It was our final week of tennis so we enjoyed playing some partner games. In multi-skills we played some mini games of football.
