

Literacy: Traditional Tales

In Literacy we will be writing labels, captions and speech bubbles and remembering to use capital letters and full stops. We will be retelling The Gingerbread Man story using actions and creating our own story maps and stories.

Maths

In Mathematics we will be;

- using numbers to 20 and beyond.
- Learn number bonds to 10/20.
- Develop a range of strategies to solve addition and subtraction problems and record findings.
- Find the difference between 2 numbers.
- Recognise and describe 3D Shapes.
- Identify and create patterns.

Personal, Social and Emotional Wellbeing

We will be covering the following areas in our circle time sessions:

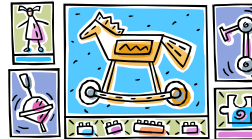

- Recognising feelings.
- Making friends.
- What to do if there is a problem.
- Getting on and falling out.

We will be using the Learning Heroes to talk about the process of our learning.

Science: Forces

We will be exploring how things move and developing an understanding of pushes and pulls. We will investigate how forces can change materials.

Toys Dolphins Autumn Term 1

Design and Technology

In DT we will be looking at the features of different vehicles. We will be looking at wheels and axles and making our own wheeled toy.

History

We will be looking at toys from the past and comparing them to the toys we play with today. We will be having a trip to the SEARCH museum to find out about the type of toys that children played with in the past.

Music

In music Mrs Harmer will be teaching us to play Samba music. We look forward to seeing you at our concert.

Physical Education

Our Multi-skills coach will be teaching us about Target Games and help us to develop skills so that we can pat, bounce, pass, throw, catch, roll, receive, kick, dribble and aim balls.

We will also be having tennis coaching on the tennis court from our qualified coach.

Religious Education

In R.E we will be learning about Harvest and investigating the concept of Change. We will be thinking about the people that Jesus met and how he changed their lives. Leading up to Christmas we will be learning about the Nativity Journeys.

ICT

In ICT we will be using Programmable toys. We will be developing and recording sequences of instructions as an algorithm.
