

Dolphins Summer Home Challenge

To kick off our seaside topic we have decided to give you a challenge activity!

We would like you to make a model of your favourite beach.

You can use any resources you have at home.

Please make sure your model is no bigger than a dinner tray.

Write a label to say where your beach is and what we would see there.

Make us really want to visit your beach!

Please only bring your models in to school week beginning 8th June

All parents are invited to view the beach models during our celebration of

Year One work on **Friday 10th July at 2.30pm.**
