

**w/c Monday 9th December 2014**

## Literacy

In Literacy on Monday, we wrote instructions detailing how to make a clay Christmas decoration. We had to remember to include the key features of this genre within our writing.

## Music

We have been preparing for the Music Concert next Thursday. We have been practising songs linked to our topic as well as learning to play the recorder. We are looking forward to sharing our music lessons with you, we are also narrating throughout the Concert and need to learn our lines.

## PE

This week, we had an opportunity to play a game in small groups. This involved batting and bowling. We also had to run once we hit the ball in order to score points.

## DT

We have continued to add the finishing touches to our Christmas sewing designs using cross stitch

## Nativity

The children successfully took part in the School Nativity as the Choir.

## History

In History on Monday, we explored the history of our school. We learnt that the school was opened in 1849, making it 165 years old! We looked at a range of photos taken at different times during this period and compared their similarities and differences.

## Maths

We have used number cards to complete an addition investigation.

## French

In French on Tuesday, we made Christmas cards for our family. We also recapped on what we had learnt over the past term.

## PSHE

We have discussed the importance of friendship in circle time.
