

Art / Design Technology
 As Artists we will be developing our drawing skills, using various drawing tools to demonstrate different effects and techniques.
 We will create drawings of ourselves to create our own class 'family tree'.
 Technology will be used to create a simple moving card/paper turtle.
 We will use a mixture of media to create our own family coat of arms.

Mathematics
 We will be learning about number and place value, Recognising and using different coins and finding out about shapes and their properties.
 We will begin to understand the passing of time through the creation of our own timelines and handling data when sorting information we have found out.

Topic – History
 As Historians we will be looking at how we, and others have changed, looking at pictures of families in the past and the present, thinking about how family life has changed. We will create timelines of familiar families and of our own families (we will need your help for this)
 We will look at houses of the past and compare them to our own.

Me, Myself & Us
Y1 Autumn 1
Turtles Class 2015/16
Term Overview

PE
 We will be developing our Dance skills. We will have a session each week with the sports coach who will help us develop our games skills

Science
 As scientists we will start a study about our garden that will develop as we go through our school year.
 We will also be finding out about how we can keep dry in the rain and the materials that help us stay dry.

Computing
 We will use laptops during our guided reading sessions to access e-books.
 We will use the Internet to research our topic.
 We will be using programmable toys to help us develop our positional and directional understanding

English
 We will be using stories with familiar settings and other fiction and non-fiction texts to influence our writing, writing labels and lists and looking at patterns and repetitive phrases within writing.
 We will continue to develop our phonic skills using them to help our reading and writing.
 We will read in groups and undertake a task about the reading we have done, and also use the laptops to read e-books.
 We will work as a class to learn a Pie-Corbett story to perform to the rest of the school.

Music
 During Music we will be working with Mrs Harmer to develop our musical understanding and skills.

PSHE / RE
 During RE we will be learning about the people Jesus met and how he changed lives.
