

Expressive Arts and Design

Exploring and using media and materials and Being imaginative

As artists we will be working together to create displays and do our own pictures. We will choose and mix colours for our own pictures and models.

As musicians we will be singing songs and using percussion instruments to play along, thinking about beat and rhythm

We will be learning to move expressively to music.

Communication and Language

Listening and Attention, Understanding and Speaking

We will listen to stories and be able to talk about and recall main events and characters in them.

We will work together to retell a story, changing our voices to reflect the different characters.

Mathematics

Numbers and Shape, Space and Measure

We will be sorting, comparing, sequencing and ordering by size and colour, using our number skills to count and say the number that comes before or after a given number.

We will create teddies using 2D shapes and joining shapes together to create bear puppets.

We will also be developing our number recognition and formation by using numbers up to and beyond 10

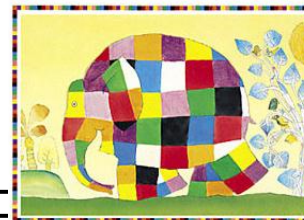

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We will be developing our skills at sharing and taking turns, working together in pairs and larger groups and learning that the things we do can effect how other people feel and respond to us.

All About Elmer Spring 1 Starfish Class Term Overview

Understanding The World

People and Communities, The World, Technology

-We will talk about similarities and differences between ourselves, and also the different bears we will be learning about.

-We will make and taste porridge, just like Goldilocks and the 3 bears.

-We will have our own 'Teddy Bear's Picnic'

-We will look at how teddy bears have changed over time, and we will be finding out about some famous bears.

-We will look at the changing season and find out what this means for different animals, particularly bears.

-We will be developing our computer skills, learning that information can be found on computers whilst finding information about bears.

Do you know any famous bears?

Literacy

Reading and Writing

We will be continuing to learn new phonic sounds and use them, and the ones we have already learnt, to blend together to make words we can read.

We will be reading books with words in small groups, developing our reading skills.

We will continue to practice our letter formation and start to put words we have written together.

Can you write some three letter words?

Physical Development

Moving and Handling and Health and Self-care

We will be continuing to develop our Gymnastics skills, travelling around, under, over and through using balancing and climbing equipment.

We will be learning how keeping fit can help keep us healthy.

We will use the story 'We're Going on a Bear Hunt' story as a stimulus for some of this movement.

Can you move like a bear?

When the time comes, we will also be doing lots of Christmas activities
