

### Expressive Arts and Design

*Exploring and using media and materials,  
Being imaginative*

During our expressive development we will use the work of other artists to influence our own creations. We will use clay and natural materials for this. We will take part in a dance session as part of 'Best of British Week'

### Communication and Language

*Listening and Attention, Understanding and Speaking*

We will be listening to some traditional tales and nursery rhymes. We will work together to learn songs for Easter.

### Mathematics

*Numbers and Shape, Space and Measure*

During maths we will be building on the skills we have been learnt so far help us to solve problems. We will be developing our understanding of adding and subtracting small numbers of objects and written numbers. A way you could support your child would be to help them to write their numbers to 10 and on to 20.

### Personal, Social and Emotional Development

*Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour*

We will be thinking about how it is 'good to be me'.

## Hey Diddle Diddle YR Spring 2 Overview Turtles Class 2015/16

### Literacy

*Reading and Writing*

We will be using our phonics to read and write words and put our words together to make sentences. We will continue to read in groups, reading different books to the ones we bring home as guided reading sessions. We will also continue to bring home key words to learn to read.

### Physical Development

*Moving and Handling and Health and Self-care*

We will continue to develop our Gymnastic and dance skills during our class PE sessions, which again will be on a Tuesday.

### Understanding The World

*People and Communities, The World, Technology*

As Scientists we will find out about and investigate light and dark.

We will continue to use our class computers, Interactive White-board, and Bee-bots to enhance our learning. Our topic this half term is Hey Diddle Diddle. We will be learning some nursery rhymes whilst learning about the history behind some of them.

During RE we will learn about Eggs as a symbol of new life and focusing on Easter.
