

PE

During Multi-skills on a Thursday, this half term we will be focusing on games. These sessions will be hopefully happening outside so the children will need out door PE kit, Dark tracksuit bottoms, School PE t-shirt, a dark jumper or school jumper and trainers. Girls will need to remember socks if they wear tights to school. We will also continue to develop our gym skills through our class PE time on a Tuesday. (Indoor kit for this)

Mathematics

We will be building on our previous learning of Number and Place value, Addition and Subtraction, Fractions and Measurement, Multiplication and Division and properties of Shape. Deepening our understanding and using our knowledge in real situations.

Science

As scientists we will continue our study of our garden. We will also be finding out and learning about light and dark.

Art / Design Technology

We will be using the work of other artists to influence our own artwork some of which will involve using clay.

Hey Diddle Diddle Y1 Spring 2 Overview Turtles Class 2015/16

Topic – History

To begin our half term, we will be learning about some British history, in particular British transport. Our topic this half term is an Hey Diddle Diddle. We will be learning about the history and possible meanings behind well-known rhymes.

Music

We will continue our Listen to me programme with Mrs Harmer and learning Easter songs.

PSHE / RE

During RE we will be learning about eggs as a sign of life and the meaning of the Paschal Candle.

During PSHE we will be focusing on how it is 'good to be me' and keeping safe around medicines.

Computing

We will build on our learning from last half term, becoming more familiar with the laptops and opening and closing programmes and saving and editing work. We will continue to read and listen to e-books.

English

The children will be writing their thoughts about what it means to be British and writing about stories we have listened to.

We will be using nursery rhymes and traditional tales to influence our writing. We will listen to and read rhymes and tales and have a go at writing our own.

During our phonics sessions we will be reading real and nonsense words practising our skills and knowledge of sounds and how they work together.
