

Expressive Arts and Design

Exploring and using media and materials and Being imaginative

As artists we will be working together to create displays. We will use spring colours for our own pictures and models. We will also be doing some Easter crafts.

As musicians we will be using percussion instruments to play along to the songs we sing, thinking about beat and rhythm, we will be learning some spring and Easter songs.

We will be moving expressively to music that reminds us of spring.

Communication and Language

Listening and Attention, Understanding and Speaking

We will use spring/new life stories and poems as a stimulus for our play and writing. We will continue to use Elmer stories to influence our group discussions.

We will work together to retell a story, changing our voices to reflect the different characters.

Do you know the Easter story?

Mathematics

Numbers and Shape, Space and Measure

We will be using our number skills to add single digit numbers together within 10, learning to write the sums down.

We will continue to use non-standard units (hand span, multilink cubes) to measure objects.

We will also be developing our number recognition and formation by using numbers up to 20, and counting beyond 20.

What numbers do you know?

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We will continue to develop our skills of sharing and taking turns, working together in pairs and larger groups. We will be developing our skills at taking messages and taking responsibility for our own actions.

New Life Spring 2 Starfish Class Term Overview

Physical Development

Moving and Handling and Health and Self-care

We will be continuing to develop our Gymnastics skills, stretching and curling and travelling and balancing with control.

We will continue to develop our gross motor skills, using the bikes outside.

Understanding The World

People and Communities, The World, Technology

We will continue to look at the changing season and look at the way plants grow and hopefully observe the hatching of chicks and how they change as they grow.

We will be developing our computer skills, continuing to find information whilst researching spring and new life.

We will use the 2simple software to create spring pictures.

We will continue to think about similarities and differences and develop our understanding of individuality and how we change and grow.

We will learn why we celebrate Easter and why eggs are important in this festival.

We will create a 'Garden Centre' in our role-play area to extend our knowledge of seeds and growth in plants.

Literacy

Reading and Writing

We will be developing our skills to blend our sounds to read and write words.

We will continue to develop our reading skills and continue to practice our letter formation and start to put words we have written together to make sentences.

Can you know some words to do with spring?
