

Art / Design Technology

This week the children made Mother's Day card.

Computing

The children enjoyed using the lap tops to create their own pictures.

Science

The children learning and talking about natural and man-made sources of light

PE

This week the multi skills session focused on striking games using rackets and balls, thinking about the distance the ball needed to go.

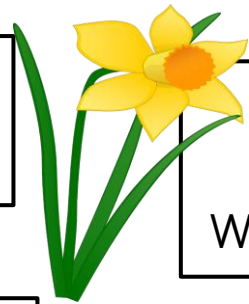

Mathematics

This week we have been comparing weights of objects by estimating and then comparing them, using scales to find out which object was heavier and which was lighter.

We have also been doing some more work with time, reading o'clock and half past times.

Topic – History

We started our new topic about Nursery Rhymes this week. We focused on the rhyme Polly put the kettle on, comparing kitchens and kitchen equipment from the past and now.

Turtles Class Y1 Learning Log Wk/b 29th February 2016

English

We have been doing some more reading of alien words during phonics.

Our English has focused on the nursery rhyme Little Boy Blue, talking about rhyming words and alliteration and writing new lines for the rhyme.

The children enjoyed sharing the books they brought in for World Book Day. They drew and wrote about their favourite part of the story.

We have listened to four stories nominated for the Hampshire book award and then voted for our favourite one.

Music

During music this week the children have been singing songs with two parts and clapping rhythm patterns.

We have also started learning our songs for our Easter Service.

PSHE/RE

During RE we have been learning about eggs as a symbol of new life and finding out why we have eggs at Easter.
