

## Expressive Arts and Design

Exploring and using media and materials, Being imaginative

Lots of paintings and drawings have been going on inside and outside this week based on our island/pirate topic.

The children have been given their own glue stick to try and support them in looking after and not wasting resources. I haven't found any glue sticks without their lids so far.

## Mathematics

Numbers and Shape, Space & Measure

We worked with the Y1 children to add and subtract small numbers and enjoyed sharing and doubling numbers/ objects.

Some of the children chose to stay with the Y1 group to think about odd and even numbers.

1 2 3 4 5 6 7 8 9 10

## Physical Development

Moving and Handling and Health and Self-care

The children enjoyed using large apparatus and mats to explore balances using a combination of 2, 3 and 4 points of contact. They were also using their bodies to make arched shapes.

## Communication and Language

Listening and Attention, Understanding and Speaking

We have been encouraging the children to feel confident to answer questions when we are working as a class, it is lovely to see more and more hands going up.

## Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We have started a story about being kind and helpful. The children were encouraged to think about how they have been kind and or helpful to someone in our class.

# Turtles Class YR Learning Log Wk/b 1<sup>st</sup> February 2016

## Understanding The World

People and Communities, The World, Technology

The children were asked to predict which material they thought would be the best to make a boat from for one of our counting bears. They then had to test their predictions.

## Literacy

Reading and Writing

We used our story 'Open Very Carefully' again this week encouraging the children to create instructions and try and say how they would like those instructions to be carried out. Guided reading and Keywords have also been done this week. The children have been encouraged to write their letters and numbers outside using chalk on the playground.

## Wow

Please draw a picture and write a sentence about your favourite pirate story.
