

Expressive Arts and Design

Exploring and using media and materials, Being imaginative

The children have enjoyed creating their own islands this week, trying to copy the technique that the Y1 children made to make their islands.

Mathematics

Numbers and Shape, Space & Measure

We worked with the Y1 children to add and subtract small numbers and had a go at doing some picture addition sums.

We practised writing our numbers from 1 to 10 and beyond. Correctly forming their numerals is something you could help your child with.

Physical Development

Moving and Handling and Health and Self-care

Some of the children enjoyed having the bikes and scooters out during the drier weather this week.

Communication and Language

Listening and Attention, Understanding and Speaking

The children's confidence when talking in front of the whole class is growing. They enjoy sharing things they know and have done during circle time.

Turtles Class YR Learning Log Wk/b 25th January 2016

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We finished the rest of our story about working hard and not wasting time.

Understanding The World

People and Communities, The World, Technology

The children finished making the boats they have been creating and enjoyed testing some more objects to see if they float or sink.

Literacy

Reading and Writing

Keywords have been checked this week. I am really pleased with the progress the children are making with these. Their blending for reading skills are also developing well.

We used the story 'Open Very Carefully' to learn about giving and following instructions.

Wow

Can you make a sentence that includes some of your keywords?
