

Art / Design Technology

We used cold tea to stain pieces of paper that we had previously torn around the edges to create a map. Once they were dry we drew our treasure maps onto them.

Mathematics

We have been counting to 100, counting in 10's and 5's and using a 100 square to help us put numbers in order.

We have also been working with a partner and the numbers 10, 20, 30 – 100. The children laid the cards out in order. One child closed their eyes and once they had opened them again had to guess the two numbers that their partner had taken away.

Topic – Geography

We have been creating our own treasure maps in our topic work this week. We enjoyed using cold tea to stain our paper. We thought about the features that we might find on a treasure map before drawing them.

Science

We enjoyed finding out about other objects that float and sink. The children discussed why they thought they might float or sink before testing them. They were very interested to discover that a large heavy candle floated.

Turtles Class Y1 Learning Log Wk/b 11th January 2016

Music

The children used tuned percussion instruments (Xylophones and Glockenspiels) in their music session with Mrs Harmer, focusing on beater control, keeping a steady beat and exploring the instrument.

PE

During gym this week we were balancing on 1, 2 & 3 parts of the body in a high balance and a low balance and travelling along, over, under and around low apparatus.

During our multi skills session with the coach this week, the children continued 'invading spaces' and developing 'blocking skills'

English

Phonics this week has focused on the alternative pronunciation for c and g. We also learnt a way to help us remember how to spell because.

We used the story 'Where the Wild Things Are' again this week and created our own story maps based on the story.

We wrote a piece of information about Hambleton as our independent writing task.

PSHE/RE

We talked about going for goals and focused again on being kind and gentle to others.

In RE we put the Hindu Creation story in the correct order

Our pirate dress up day will be on Friday 12th February
