We have started learning a Pie Corbett story, which we will re-tell as a class to the whole school. These stories involve putting actions to some of the words and then doing a piece of work about it once we have shared it.

Mathematics

Numbers and Shape, Space & Measure

We have been counting the children in our line 1-15 before going to lunch. We counted our fingers making sure we did one touch one count (one-to-one correspondence)

Lots of activities to quietly develop their maths skills have been available for the children outside.
