

## Expressive Arts and Design

*Exploring and using media and materials, Being imaginative*

The children have found the junk modelling box...it is now empty! They have really enjoyed using the boxes to create new and wonderful creations. We hope you enjoy them as much as they enjoyed making them. We have experimented with colour mixing and created our own painted self-portraits.

## Personal, Social and Emotional Development

*Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour*

We are now becoming very good at our routines in the morning and coping well with being independent and trying to remember ourselves what we have to do. Friendships have been developed and new ones made.

## Physical Development

*Moving and Handling and Health and Self-care*

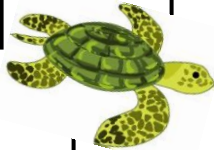

The children developed the dances they started to create last week.

## Communication and Language

*Listening and Attention, Understanding and Speaking*

We are enthusiastically retelling our Little Red Hen story.

# Turtles Class YR Learning Log Wk/B 21<sup>st</sup> September

## Understanding The World

*People and Communities, The World, Technology*

Outside play has been very popular when not too wet to be out there. Lots of 'water way' play, finding different ways of connecting the tubes to get the water from one place to another.

## Wow work

Can you create a picture from The Tiger Who Came to Tea?

## Mathematics

*Numbers and Shape, Space & Measure*

We have been sorting and recognising written numbers and enjoying making patterns during our busy job time.

## Literacy

*Reading and Writing*

This week we have learnt the sounds g, o, c, & k. We have been thinking of words that begin with these sounds and practising to write the letters doing really well with the tricky k.

We have enjoyed listening to the Tiger Who Came to Tea and drawing some of the foods the Tiger ate.
