

Expressive Arts and Design

Exploring and using media and materials and Being imaginative

Lots of painting has been done this week, creating pictures for our assembly. We have also been learning a song about a caterpillar.....you may have heard it! The children have enjoyed colouring in pictures of mini beasts, thinking about the colours they are using. This also helps develop their pencil control.

Communication and Language

Listening and Attention, Understanding and Speaking

We have been learning a song and some rhymes for our assembly, We are retelling a story using actions to help us.

Mathematics

Numbers and Shape, Space and Measure

We have been counting to 40 and ordering the numbers 0-20. We have enjoyed measuring our Sunflower and Bean plants. We have been seeing how many Unifix cubes tall they are. We have been learning about simple 2D shapes, labelling pictures of them.

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We have been reminding ourselves about our class and school rules and how we should behave with and treat each other. We have all now been put into our house groups so will be working hard to earn points for our house team.

Starfish Class

Learning Log

Wk/B 28th April 2014

Understanding The World

People and Communities, The World, Technology

We have been learning about different mini beasts using CBeebies Mini beast Adventures to help us.

Our Sunflower plants have grown so much that we needed to re-pot this week!

Our tiny caterpillars have arrived and they are already munching away and growing fast, fingers crossed we will have beautiful butterflies in a few weeks time.

Physical Development

Moving and Handling and Health and Self-care

We have been developing both our gross motor skills through using the bikes, large apparatus and using scissors and pencils to develop our fine motor skills.

Literacy

Reading and Writing

We have written a sentence about what we did at the weekend using our phonics to help us build the words we wanted.

We have been hearing the initial and final sounds in words and using our phonics to help us read our guided reading books.

Wow

Can you draw a picture of what you think our butterflies might look like.
