

Art / Design Technology

We started creating our own family trees. We thought about the number of people we had in our family or who lived with us at home and painted trees with the correct number of branches. We will had drawings of our family to them.

Mathematics

We have been making number bonds of 10, thinking of as many ways as possible to make ten using just 2 numbers. We have recorded our learning in our Maths books. We have also been counting in steps/jumps of 5 to 20

Topic – History

We looked at the Royal family tree and answered questions about it.

English

We continue to practise our Pie Corbett story 'The Little Red Hen' remembering to join in with the words and actions.

In phonics we have gone over our previous learning and started learning about 'ea' 'ey' We have continued to use alliteration, with our names. We have created name cards using a word that starts with the same sound as our name.

Turtles Class Y1 Learning Log Wk/B 28th September

Science

We worked in small groups to test materials to find out which ones were waterproof and which were not. We then worked as a class to record our results.

RE/PSHE

During RE the children listened to the story of Zacchaeus and how he changed after he met Jesus. We also enjoyed taking part in our Harvest Service in Church.

Music

In music we have been composing starry music and creating and following conductor's signals.

PE

Dance – the children used a range of travelling, turning and jumping movements.

During their PE lesson with the coach the children continued to work on their individual target accuracy skills.
