

SHARKS' CURRICULUM OVERVIEW

SPRING 1 - PREHISTORIC BRITAIN

Literacy

Our Literacy this half term will link to our Prehistoric Britain History topic. Our narrative modules will focus on the books 'Ug' by Raymond Briggs and 'Stig of the Dump' by Clive King. Our non-fiction module on explanation texts will link to our Science work on forces. In our SPAG lessons, our focus will be on pronouns, prepositions and commas in a list. The children will continue to bring home words to practise.

Maths

In Maths this half term, we will be recognising place value in four-digit numbers and using diagrams to show equivalent fractions. In our lessons on shape, we will be identifying and describing the properties of 2D shapes. We will weigh and read a variety of scales in both kilograms and grams when measuring. We will also measure the perimeter of 2D shapes.

Science

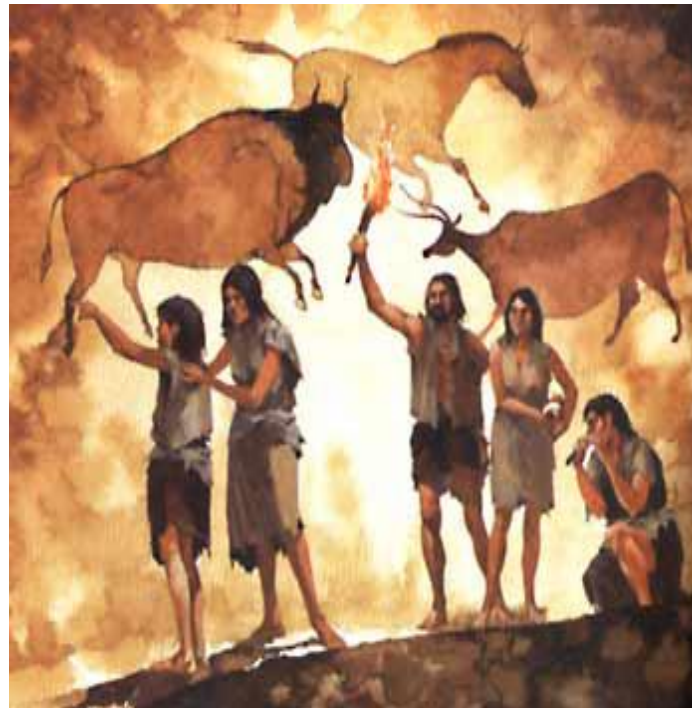

In Science, we will be learning about forces. We will be exploring and comparing how objects move on different surfaces. We will also observe how magnets attract or repel each other and materials.

ICT

In ICT, we will be exploring computer networks and how they work. We will also be learning about internet safety.

Music

In Music this half term, we will be learning to play the clarinet.

History

History will be our lead subject this half term as we explore Prehistoric Britain! Beginning with the Stone Age and moving onto the Bronze Age and Iron Age, we will be discovering how people lived and worked during these times, and the significant developments that were made throughout these periods. We hope to conclude the module with a dress up day towards the end of the half term!

Art

This half term, our Art will link to our History topic as we explore cave paintings. We will be focussing on the common themes of this prehistoric art style, as well as learning about the materials which artists used in order to create their work.

RE

In RE this half term, we will be exploring the concept of 'freedom' as we focus on the Jewish festival of Passover.

PE

In PE, we will be learning the skills of football with the coach. Our swimming lessons will also take place.
