

Expressive Arts and Design

Exploring and using media and materials,
Being imaginative

The Make and do area has been popular again this week, no sooner do the children bring in their 'junk' than we send it back home having had a complete transformation. We are definitely learning about reusing and recycling!

Communication and Language

Listening and Attention, Understanding and Speaking

Show and tell has been popular this week, exciting events including new babies being talked about. We have been talking about our guided reading books showing understanding of the stories we have read.

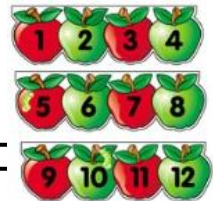

Mathematics

Numbers and Shape, Space and Measure

We have continued with our counting to 50 and using number lines.

We have been filling in the missing numbers this week, using the numbers 1-20. This has helped us to write our numbers correctly

Understanding The World

People and Communities, The World, Technology

We have really enjoyed playing with the Octopod we were able to buy using the money we raised for selling our Oat cookies last week, Thank you to everyone who bought some. Also thank you to Mirri for donating some of her 'Octo Pods'.

We had our assembly in Church on Monday when we were told the story of the Prodigal Son.

Starfish Class Learning Log Wk/B 7th July 2014

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

We have been taking it in turns to play with our new Octopod, working in pairs or threes to create under the sea adventures for the Octonauts.

We enjoyed showing our parents around our classroom on Wednesday, looking at some of the great things we have been doing.

We had fun at the Teddy Bear's picnic when the new YR children joined us.

Literacy

Reading and Writing

We made passports for some under the sea creatures. We drew a picture of our creatures and had to give them a name and age and then describe them.

We have been practising our formation of the letters, **b** and **k**.

We have enjoyed playing Buried Treasure this week and reading and spelling some key words.

Physical Development

Moving and Handling and Health and Self-care

We all took part in team events and class races during our Sports Morning. We had a great time. Well done to everyone and well done to Shackleton who won the House Cup.

Wow

Can you draw and write a sentence about our trip to Blue Reef Aquarium?
