

## Literacy

We have been writing letters to the inspectors of lighthouses to persuade them to give Mr Grinling his job back! The children have worked hard on writing a viewpoint about Mr Grinling's character.

## Science

We have made electrical circuits with real bulbs and wires. We worked together to discover why circuits were broken and why a bulb would not light up.

We will be making a working lighthouse with a circuit. Please can you bring in a cardboard tube that would be suitable to hold wires, batteries etc.

## Phonics

We have been practicing all our long vowel sounds. We have done a word sort and written sentences.

# Dolphins Learning Log

## History

We watched a short video of the D-Day boat landing in Southsea and walked in to the village to see the red arrows fly over for the 70 year celebration.

## **WOW work!**

Write a sentence for each of your spellings. Try to add a describing word. Don't forget capital letters and full stops.

## Maths

We have been practicing using our doubles to 10 and halving from 20.

We have begun to learn how to find the difference between numbers by counting up. We used cubes to help us.

## Art

We read the story of The Rainbow Fish and created our own storyboards to retell the story in three pictures.

## P.E

We have begun to play tennis at the village tennis court. We had fun learning racket skills and playing a mini game.

We have continued to do multiskills developing our ball and balance skills.
