

Orcas' Learning Log

WB December 7th, 2015

The Blitz

In **DT** the children designed and made Christmas decorations to hang on our Christmas tree. They also designed and made two Christmas cards: one for home and one for the competition being run by the construction company building the pipe.

In **Art** the children used pen and ink to draw portraits.

In **PSHCE** we have discussed recent events in the News.

In **Music** the children were rehearsing for their Christmas Music Concert which is on **Monday December 14th**.

In **French** the children designed their French menu.

In **Literacy** the children have been writing letters for various purposes. They have thought about what needs to go into a letter, what tense a letter is written in and what punctuation you use in a letter.

WOW Work - due December 16th, 2015
You have three weeks to complete this Project **WOW** work.

Spelling - Write a sentence for each of your spelling words.

Read at least three times a week and have someone record in your reading diary-remember to have an adult sign your diary.

History Project - Design and make an Anderson shelter. Include a piece of writing about an Anderson shelter (instructions on how to make, a story featuring an Anderson shelter, an information page about an Anderson shelter) and calculate the area of your Anderson shelter.

Extra House Point/Raffle Ticket Challenge: extra house points and raffle tickets will be awarded based on the presentation of your work.

Please bring in old Christmas cards by **Tuesday December 15th** to be used in maths in the final week of term.

In **PE** the children were using testing their reactions and accuracy by playing a range of games including 'See it, Chase it' and 'Hit the Racket'.

On **Wednesday** the children travelled up to the Imperial War Museum in London. They had a brilliant time learning about World War 1 and 2. They were sensible, listened well and were very excited about the train journey, being in London and visiting the museum! They enjoyed touring the exhibits to further their **history** knowledge and have completed follow-up work on return.

On **Friday** the children enjoyed the whole school outing to the performance of Jack and The Beanstalk in Winchester. They were all well behaved and enjoyed their trip to the theatre!

In **Numeracy** the children have been reviewing their area and perimeter assessment questions and were all able to answer ones now that they couldn't at the beginning of the topic!
