

## Literacy

We really enjoyed telling our story telling assembly. We followed it up by creating our own story and either drawing a story map or writing it.

We have been looking at pictures of the seaside and writing descriptive sentences about what we would hear. We have been practising using connectives in our sentences.

## Music

We have continued with our practise on the ukulele. We are playing along to the song 'Rain, rain, go away'. We have also been practicing for our Ukulele concert.

## Science

We have started to learn about 'Ourselves and Other Animals'. We discussed what features make something living or non-living and sorted them accordingly.

## Phonics

We have been revising all of the sounds we have learnt this year. In particular, we have been focussing on words that contain a-e

# Dolphins Learning Log

## DT

We have begun to make our padded fish. We read the Rainbow Fish story and have designed our own. We have stuck on the scales and sewn a button eye!

## Summer Home Challenge

Can you make a model of your favourite beach?  
Please read the separate letter for details.

## WOW work!

Write an acrostic poem using your name.  
Make sure your poem is all about yourself  
so that you can read it to your Year Two  
teacher next week

## Maths

We have been collecting data to help us with our Sports Day planning. We have created a tally chart to gather information about which races we should have at Sports Day.

We have also been developing our understanding of 'Mass' using words such as weight, heavy and light. We have used the balances to weigh animals and put them in order and adding weights together

## Geography

We have been thinking about our locality and in particular Hambledon. We used Google map to locate it within England and looked at the features of the village. We created our own maps of Hambledon which included both physical and Human features..

## P.E

We had fun playing tennis at the village tennis court. We had fun learning racket skills and playing a mini game. We have continued to do multiskills developing our ball and balance skills.
