

## Dolphins Learning Log

### Monday

Today we went to the church where Canon Robin talked to us about all of the special clothes he wears. We learnt about why he wears different clothes for different occasions. Afterwards, Canon Robin did an assembly and he taught us a new song.

### Tuesday

We've had lots of fun this week getting ready for Sports Day.

We've been trying hard to develop our skills and try our best!

For phonics we have been learning about consonant clusters 'cl' and 'cr'

### Wednesday

We had a great time at Sports Day. We all felt very proud of ourselves. We worked well in our house groups and enjoyed competing in the races.

### **WOW work!**

Find out about the library's summer reading challenge and be ready to talk about it in class next week

### Thursday

We are nearly ready for our Ukulele concert and can't wait to show you what we have learnt next week.

In the afternoon we had a brilliant time with our teddies at the picnic. We sang songs and read stories about bears and welcomed our new reception friends.

### Friday

Today we are building our model lighthouses. We will be using different materials to create the model and adding a real circuit to make the light work.

This afternoon we are looking forward to showing our families all our work from this term.
