

## **SUMMER 1 - GREEN FINGERS!**

### **Maths**

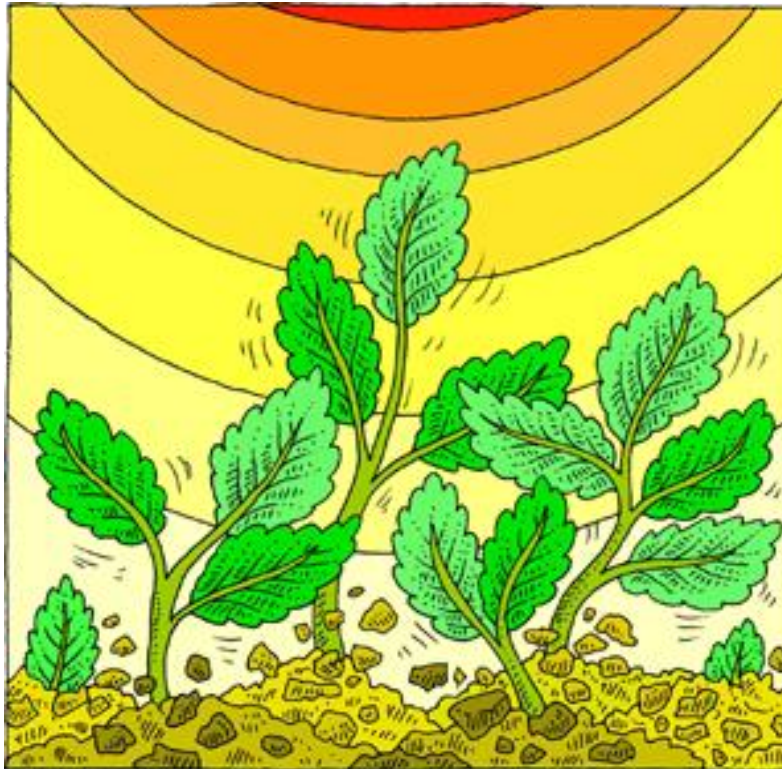

This half term in Maths, we will begin by focussing on data handling. The children will then be solving one-step and two-step problems involving numbers, money and measures, including time. This will involve the need for them to choose and carry out appropriate calculations.

### **Literacy**

In Literacy, we will be learning and retelling a story for our Pie Corbett assembly. Later in the half term, we will be focussing on 'The Secret Garden' by Frances Hodgson Burnett. The children will be exploring the main characters and themes within the book.

### **Art**

Our Art will link to our plants topic. As a class, we will be replicating Vincent van Gogh's painting 'Sunflowers'. Later in the half term, we will be creating observational drawings of plants and flowers and exploring leaf rubbings.

### **Science**

Science will be our lead topic this half term where we will be learning about plants and their growth. The children will be planning tests to discover which conditions are needed for seeds to germinate and plants to grow. They will then be using the school grounds to plant their own seeds.

### **PE**

In PE this half term, we will be focussing on the sporting events of athletics. The children will be developing and refining their running, throwing and jumping skills and techniques.

### **PSHCE**

In PSHCE, we will be focussing on the SEAL unit of work called 'Relationships'.

### **Music**

Our Music lessons this half term will focus on playing the ukulele.

### **ICT**

Our ICT for this half term will involve researching the artist Vincent van Gogh.
