

Stingrays' Home Challenge Activities - Summer 2

This half term to celebrate the World Cup, we are asking the children to select a participating country. Each week, they will research a particular area of their chosen country as homework. At school, the children will create a presentation of all their weekly work ready for an exhibition of their projects on Friday 11th July. To end the project, the children can, if they wish, come to school dressed in an outfit which represents their country also on this day.

The tasks will begin this Friday 6th June.

Each week, we would like the children to prepare the following:

- Week 1: Recreate their chosen country's flag.
- Week 2 - Show on a map their country and its capital city.
- Week 3 - Identify the country's key language - greeting, farewell, please and thank you.
- Week 4 - Traditional food.
- Week 5 - Temperature of country and population.

(Every week the children will still have spellings and reading homework.)
