

## Stingrays' Home Challenge Activities - Summer 1

This half term, we have decided to give you a challenge activity. Have a look at the list below and choose a project which inspires you. Alternatively, you can create something different linked to our topic on plants. Please bring your completed project in to school week beginning 19<sup>th</sup> May. Parents are invited to view the work on Friday 23<sup>rd</sup> May at 2.45, and we will display and celebrate your hard work!

You could create...

- A model of a garden;
- A magical plant;
- A seed collection;
- A map and a key to a secret garden;
- An adventure story about an imaginary plant.

(Every week you will still have spellings and reading homework.)
