Dear Ospreys and Parents/Carers

We are getting very excited for the upcoming residential trip and hope that your children are too! I can confirm that Miss West and Mrs Bolton will be accompanying the children for the duration of the week and I will attend on various days throughout the week.

We have an action packed week planned with activities such as archery, kayaking, caving and climbing. The final touches to our programme of events are being planned by the centre and we will be able to share the timetable once it is confirmed with us.

The children have all been asked for roommate choice and we will do our best to make sure they are with at least one person they have asked for but are constrained by numbers of beds/arrangements of pods. The rooming groups will be confirmed once we arrive at the centre.

We will have some time in the evening where we have self- led activities. We have decided, as part of these activities, to invite the children to bring a small cake/ packet of biscuits that would be collected in on the Monday and then shared between all of the class over the course of the week. Please make sure the children have these food items ready to hand to an adult on the Monday morning so they are separate from their packed bags. We ask that items are nut-free.

We have also agreed that whilst the children are not permitted electronics, including mobile phones, they might like to bring small games- cards/ travel games/ Uno for example- which they could use on the coach and in spare time

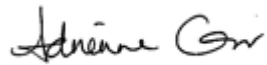

that they might have during the week. The children can pop these into a small travel bag so that they are accessible on the coach.

Please read the kit list carefully and ensure the children have everything they need clearly labelled to avoid any stray socks! We recommend having 2 pairs of outdoor shoes as one pair may get wet during the water-based activities.

Once we have arrived safely, the school will notify all parents/carers. During the week, we will keep you posted mid-week and then the morning of departure to confirm arrival time back at the village hall.

Please do not hesitate to contact use if you have any questions.

Best wishes and happy packing!
