

Expressive Arts and Design

Exploring and using media and materials and Being imaginative

Continuing our under the water theme, we made bright red or orange crabs to add to our display.

We have been singing two under the sea songs to familiar nursery rhyme tunes.

Communication and Language

Listening and Attention, Understanding and Speaking

We are enjoying learning our Pie Corbett story, 'Going for a Song', working hard to remember the actions and the words.

We have needed a few reminders this week about listening to instructions and not choosing to ignore them.

Mathematics

Numbers and Shape, Space and Measure

I have introduced the children to the maths symbols add and equals (+ & =) and then using these two symbols to work out some sums and to create our own using numbers 1-5. They have done really well and we will continue to practise this.

Personal, Social and Emotional Development

Making Relationships, Self Confidence and Self Awareness and Managing Feelings and Behaviour

The children have enjoyed working together this week to create dens and developing their own role play within them.

Starfish Class Learning Log Wk/B 15th June 2015

Understanding The World

People and Communities, The World, Technology

This week we have learnt about a Sailfish, Blobfish and Sea Stars with the help of the Octonauts.

The children have really enjoyed creating their dens to develop and enhance their role play.

We enjoyed an assembly in the church on Friday morning..

Physical Development

Moving and Handling and Health and Self-care

We are continuing to run laps round the field trying to run as many as possible in 10 minutes and beat our previous day's totals.

We really enjoyed a session with the sports coach on Wednesday afternoon, trying some new activities requiring us to work as teams and practising some races.

Literacy

Reading and Writing

We have used the computer programme Clicker 6, to work together to put jumbled sentences in the correct order. Some of us have then sorted jumbled sentences into our books and then drawn a picture.

I have been hearing the children read individually and am very pleased with the progress they are making. Please don't worry if keywords or spellings have not been done in school this week.

Wow

Create your own Octonauts picture or story.
