

We will be exploring the following questions ...

Who was Mary Anning?

Why is Mary Anning famous?

Why were her achievements not celebrated more in her lifetime?

What makes a place hot/cold?

Is everywhere in the world hot?

What do different animals need to survive?

What habitats are in our local environment?

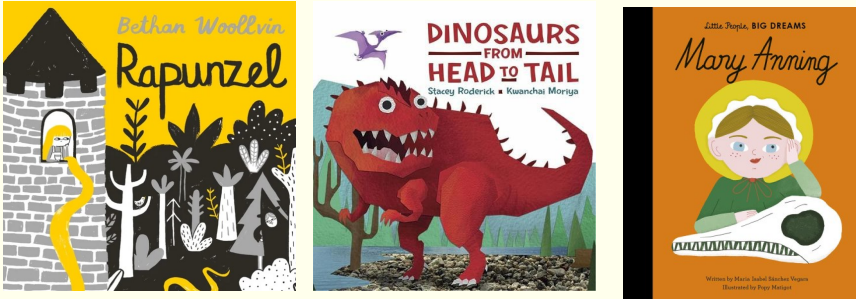

Why do animals live in specific habitats?

Kingfishers

Autumn term

English - Over the term, we will be using stories to develop our writing skills, focussing closely on writing and joining sentences. We will be using these skills in many pieces of writing, such as narratives, non-fiction pages and fact files.

Maths - Year 1 will be focusing on numbers to 100, comparing quantities, mastery of number 0-5 and 2D and 3D shapes. Year 2 will be looking at numbers 10-100, calculations within 20, addition and subtraction and multiplication.

Science - At first, we will be learning how to classify different animals based on their characteristics, diets and where they live. Then, after half term, we will explore different habitats and why the animals live there.

Geography - We will be looking closely at hot and cold areas of the world and what it is like in these places.

D&T - In the second half term, we will be learning all about how to stay healthy and then create our own healthy breakfast.

Art - This term we will be developing our understanding of colour, looking at how to mix paints to make different colours and shades. We will be developing our printing techniques with a nature theme.

History - We will be looking at why Mary Anning is famous and why her achievements were not celebrated more in her lifetime.

Computing - We will start by understanding what technology is and how it can help us before developing our mouse and keyboard skills. After half term we will look at IT all around use, focusing on safety and the benefits of it.

PSHE themes - Me and my relationships and valuing difference

PE - We will be doing fundamental and ball skills followed by gymnastics and sending and receiving games.

RE themes - The first half term we will be looking at creation stories within Christianity and Hinduism and after half term we will look at the Nativity story, focusing on the different journeys people made.
